

FY2026 JEPIC Seminar in Japan for Laos, Sri Lanka, Bangladesh, and Cambodia

JEPIC with the cooperation of its member electric power companies, conducts various international cooperation programs aimed at human resource development for overseas electric power utilities.

Since FY1991, JEPIC has invited utility personnel from overseas to Japan under its Seminar in Japan. In addition, since FY1992, JEPIC has dispatched Japanese electric power experts to overseas countries through its Overseas Seminar Program.

In June 2026, with the generous support of Chubu Electric Power Co., Inc., JEPIC successfully conducted the FY2026 Seminar in Japan for participants from Laos, Sri Lanka, Bangladesh, and Cambodia.

Date	May 21 st - June 3 rd , 2026
Theme	Enhancing Safety and Smart Grid Technologies in Power Distribution
Participants	Laos (3), Sri Lanka(3), Bangladesh(3), Cambodia (3) Total 12 participants
Organization	Japan Electric Power Information Center, Inc. Chubu Electric Power Co., Inc. Chubu Electric Power Grid Co., Inc. TOENEC Corporation Waseda University
Subject	<Lecture> JEPIC : Overview of Electric Power Industry in Japan, Waseda University : Demand Response and Smart Houses, Chubu Electric Power Co., Inc. / Chubu Electric Power Grid Co., Inc. : Overview of the Companies and Their Business Operations, Safety Initiatives in Distribution department, Smart Grid Technologies, Distribution Automation Systems, 33kV Distribution Facilities, etc. <Site Visit> Chubu Electric Power Co., Inc. : Electric Power Research & Development Center Chubu Electric Power Grid Co., Inc. : Distribution Line Construction Site, 33 kV Distribution Facilities TOENEC Corporation : Safety Creation Center
